

proud to be a supplier to Crown Commercial Service (CCS) on the Furniture & Associated Services Agreement, RM6119.

## TAILORED SOLUTIONS

Dams track record of market-driven design, high quality UK manufacturing, excellent logistics and customer support mean that we are well placed to offer a tailored furniture solution for public sector tenders.

## PRODUCT PORTFOLIO

We have a dedicated product portfolio of desking, boardroom tables, seating and screens which have been independently tested by FIRA in addition to our products tested to British and European standards, to meet and satisfy the needs and requirements of public sector government offices.

Crown  
Commercial  
Service  
Supplier

**CCS** is a trading fund of the Cabinet Office, working closely with central government departments, supporting the commercial agenda of the Chief Exec of the Civil Service and partners, provides services to government departments and the wider public sector. CCS is responsible for managing the procurement of common goods and services - so public sector organisations with similar needs achieve value by buying as a single customer

## Office furniture available to GPU Hub Programme and any other Public Sector Customers

### Lot 1: Office Furniture

Includes desking, workstations, office seating and storage, break out furniture, reception furniture, restaurant furniture, specialist chairs, lockers and other office accessories

### Lot 8: Hubs Furniture

Provision of office furniture goods and/or services in line with HMRC design guide and associated services

UK wide Public Sector purchasing framework

Free design and space planning

Delivery and installation (subject to T&C's)

The most comprehensive range of office furniture in the UK

## IN HOUSE

Dams benefits greatly from being a vertically integrated company; from in-house design and product conception, Dams CAD teams, through to production and distribution on Dams vehicles and using Dams install teams.

## UK MANUFACTURING

We are able to offer CCS end users a manufacturer's price direct from source. There are no dealer margins in our bid, and it is our intention that the CCS framework end users become the beneficiary of this direct from manufacturer supply
